Jetking - Best Computer Networking Institute in India, an ISO 9001:2008 certified company, has trained more than 10,00000 students in the IT-IMS sector.

Masters in Blockchain Development

Blockchain is a system of recording information in a way that makes it difficult or impossible to change, hack, or cheat the system. ... Each block in the chain contains a number of transactions, and every time a new transaction occurs on the blockchain, a record of that transaction is added to every participant's ledger.The number of live blockchains is growing every day, and at an ever-increasing pace. As of 2021, there are more than 10,000 active cryptocurrencies based on blockchain, with several hundred more non-cryptocurrency blockchains.

JK-DNA and JK-MNA

A network engineer is a technology professional who has the necessary skills to plan, implement and oversee the computer networks that support in-house voice, data, video and wireless network services. ... Typically, a network engineer has more education and earns more than a network administrator.What is a network engineer's salary? A Network Engineer's average income is ₹468,500 per year (₹39,050 per month), which is ₹81,000 (+21%) more than India's national average salary. A Network Engineer can earn a starting income of ₹165,000 per year on average. The top salaries can reach ₹9,00,000 per year
